This permit becomes null and void if work or construction authorized is not commenced within one (1) year from the date of issuance of a permit; such permit shall be deemed void and of no effect. If contrition or work is suspended or abandoned for a period of 180 days at any time after work is commenced such permit shall be deemed void and of no effect. If not completed in two (2) years, another permit is to be applied for.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
